NOTE.—These Regulations are published for the convenience of candidates and in order to enable them to ascertain the possibility of their coming up to the required physical standard. But it must be clearly understood that the Secretary of State reserves the right to dispense with regard to any candidate whom he may consider, after having the opinion of his medical advisers, to be physically disqualified for the public service and that his discretion in this respect is not subject to these Regulations.

The Regulations for the physical examination of candidates for the Indian Civil Service are made by the Civil Service Commissioners, to whom this inquiry should be addressed.

4. The candidate's chest will be measured as follows:—He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior margin of the shoulder blades behind, and its lower edge the upper part of the axillæ in front. The arms will then be brought to hang loosely by the side and care will be taken that the shoulders are not thrown upwards or backwards so as to distort the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded in inches, 32–35, 36–40, etc.

In recording the measurements, fractions of less than $\frac{1}{2}$ inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. **NOTE.**—Special rules (printed below) apply to the Royal Indian Navy and Railway Servants.

(a) The examination for determining the acuteness of vision includes two tests, one for distant, the other for near vision. Snellen's test types will be used for the test for distant vision, without glasses at a distance of 20 feet and for the test for near vision without glasses, at any distance selected by the candidate. The standards of the maximum acuteness of vision which will be used for guidance in the examination of a candidate are as follows:—

STANDARD I.

Right eye.	Left eye.
Distant vision— $V = \frac{6}{5}$.	$V = \frac{6}{5}$.
Near vision—Rends 9, 6.	Rends 9, 6.

STANDARD II.

Better eye.	Worse eye.
Distant vision— $V = \frac{6}{5}$.	V , without glasses = not below $\frac{6}{10}$; and after correction with glasses = not below $\frac{6}{34}$.
Near vision—Rends 9, 6.	Rend 1.

STANDARD III.

Better eye.	Worse eye.
Distant vision— V , without glasses = not below $\frac{6}{24}$, and after correction with glasses = not below $\frac{6}{9}$.	V , without glasses = not below $\frac{6}{24}$ *; and after correction with glasses = not below $\frac{6}{12}$.
Near vision—Rends 9/6.	Rend 1.

(a) Each eye must have a full field of vision as tested by hand movements.

(b) Squint or any marked misaligning of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence, will cause the rejection of the candidate.

(c) Each eye will be examined separately and the lids must be kept wide open during the test.

(d) Incapacity to distinguish the principal colours will not be regarded as a cause for rejection, but the fact will be noted in the proceedings and the candidate will be informed.

(e) The degree of acuteness of vision of all candidates for appointments will be entered in the proceedings in the following manner:—

V.R. =; with glasses =; Rends
V.L. =; with glasses; Rends

(f) In cases of serious abnormality the opinion of an ophthalmic specialist should be obtained.

7. The eyes (passed in presence of the Examiner) should be examined and the result recorded.

8. The following additional points should be observed:—

(a) That the candidate's hearing in each ear is good and that there is no sign of disease of the ear;

(b) That his speech is without impediment;

(c) That his teeth are in good order and that he is provided with dentures when necessary for effective pronunciation (well-filled teeth will be considered as sound);

* Temporarily lowered, except for the Indian Police & 6/12.

- (d) that his chest is well formed and his chest expansion sufficient, and that his lungs and lungs are sound;
- (e) that there is no evidence of any abdominal disease;
- (f) that he is not squinted;
- (g) that he does not suffer from hydroptic, a severe degree of varicose veins or piles;
- (h) that his hands, hands and feet are well formed and developed and that there is free and perfect motion of all his joints;
- (i) that he does not suffer from any hereditary skin disease;
- (j) that there is no congenital malformation or defect;
- (k) that he does not bear traces of acute or chronic disease pointing to an impaired constitution;
- (l) that he bears marks of efficient vaccination.

When any defect is found it must be noted in the certificate and the medical examiner should make his opinion whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate. If the condition is remediable by operation it should be so stated.

Special Rules referred to in paragraph 8 above.

(a) THE NAVAL RESERVE NAVY.

Candidates will be disqualified by defective vision, squint, imperfect perception of colours, defective hearing, or any chronic disease of the eyes or system. The standard of distant vision on either eye is 6/6 and the other not less than 6/12 without glasses. The defect must be due to refractive error. For near vision candidates must be able to read D=08 without glasses with each eye. A high degree of hypermetropia will disqualify.

Officers may be accepted for the Engineer Branch if their eyesight is not below 6/9 in one eye and 6/12 in the other.

(b) IRON BRACE RAILWAY SERVICES—See separate Appendix.

Special Duty.

Candidates for special duty under Government must possess such an amount of soundness of vision as will, without assistance, enable them to perform the work of their office for the period their appointment may last. In Classes A 3 and B 1.—The requirements generally are somewhat lower than for A 1 and A 2; marked abnormalities of simultaneous contrast effect will be a cause for declining a candidate unfit for appointment to the service.

condemned laid down in the permits. Any breach of the conditions will entail cancellation of the permits. Persons who desire to obtain permits should apply to the Collector immediately. The Collector will submit them to the Board of Revenue as early as possible and on or not later than the 1st October 1937. An arrival fee of Rs. 10 will be charged for each permit and be payable after the issue of the permit is sanctioned but before the permit is actually delivered to the applicant. The permits are intended to cover only the individual consumption of the permit-holder, who should preserve all liquor bills for check.

6. *Sale of heavily by chemists and sale of medicated waste.*—Licenses for the sale of heavily by chemists will continue, but medicated waste will be allowed to be sold only by those chemists who have licenses to sell heavily on prescription.

5. *Clubs*.—Members will be granted in special cases to any existing clubs and leagues may be issued in such clubs to members who are permit-holders and not to any one else.

30. **Transport.**—Transport of liquor from one district to another through Salem is not allowed. A special watch will be kept over motor buses plying between towns in the Salem district and towns beyond the Salem district. Effective steps will be taken to prevent buses from carrying people from Salem district to India or to other parts outside the district. The bus houses will be searched on proof of any smuggling in this respect.

II. **Prohibition.**—This is prohibited and is punishable except under the system of special permits described above which is applicable only to bottled foreign liquor.

12. As the enactment of the special law referred to in paragraph 1 shows many take time, authorities under the relevant sections of the Madras Abkari Act will be issued immediately in order to bring into effect prohibition in the Salem district with effect from 31st October 1937.

Bill No. 2 of 1937—Madras Regulation of the Sale of Cloth	21
Bill No. 3 of 1937—Madras Regulation of the Sale of Cloth	22

Bills to be introduced in the Legislative Assembly of the Province of Madras.

Under the proviso to rule 73 of the Madras Assembly Rules, the following Bills, together with the Statement of Objects and Reasons, are published for general information:—

L.A. BILL No. 2 OF 1937.

A Bill to regulate the trade of dealers in cloth within the Province of Madras.

WHEREAS it is expedient to regulate the trade of dealers in cloth within the Province of Madras; It is hereby enacted as follows:—

1. (1) This Act may be called the Madras Regulation of the Sale of Cloth Act, 1937.

(2) It extends to the whole of the Province of Madras.

1937

[28]

Dealing in
cloth to be
licensed.

2. (1) Every person who, on the date of the commencement of this Act, is carrying on the business of a dealer in cloth at any place in the Province shall, within two months of such date, obtain a licence under this Act for carrying on the business at such place.

(2) Every person who starts the business of a dealer in cloth after the date of the commencement of this Act, at any place in the Province shall, within two months of starting such business, obtain a licence under this Act for carrying on the business at such place.

Explanation.—Where a dealer has more than one shop, whether in the same town or village or in different towns and villages, he shall obtain a separate licence in respect of each shop.

Expire and
renewal of
licence.

3. Every licence granted under this Act shall expire on the last day of the year for which it was granted but may be renewed from year to year.

Explanation.—In this section 'year' shall mean the financial year.

Fee for
licence.

4. (1) The fee payable for the grant or renewal of a licence in respect of the business at any one place shall be—

(a) two rupees, where the monthly turnover of business in that place as determined by rules made under this Act, does not exceed five thousand rupees; and

(b) five rupees, where such monthly turnover exceeds five thousand rupees;

Provided that no fee shall be levied for the grant or renewal of a licence in respect of the business carried on at any place, if it relates exclusively to cloth worn on hand-kerchiefs and the dealer declares in writing that he has not sold and will not sell any other cloth at such place during the period of currency of the licence.

Explanation.—In this sub-section 'monthly turnover' means the aggregate amount for which cloth is sold in a month.

(2) Where a licence is granted or renewed free of fee under the proviso to sub-section (1), the licence shall become void if any cloth not woven in hand looms is sold at the place mentioned in the licence, and no cloth shall thereafter be sold at such place unless a fresh licence has been obtained on payment of the fee specified in sub-section (1).

5. A person who fails to obtain a licence as required by sub-section (1) or sub-section (2) of section 3, or to renew a licence before the date on which it expires, or to obtain a fresh licence as required by sub-section (2) of section 4, shall pay for the grant or renewal of the licence, as the case may be, twice the amount of the fee payable by him under sub-section (1) of section 4, or if no fee is so payable, a fee of one rupee; and any amount payable under this section may be recovered as if it were an arrear of land revenue. Power to impose the licence fee.

6. The Provincial Government shall have power to make rules— Power to make rules.

- (a) prescribing the authority competent to grant or renew licences under this Act;
- (b) for determining the monthly turnover for the purpose of levying the licence fee;
- (c) for the recovery of any amounts due under this Act; and
- (d) generally for carrying into effect the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to regulate the trade of dealers in cloth within the Province. It is proposed to create a licence necessary for the carrying on of such trade. Dealers exclusively selling hand-loom products will have licences without any fee, but all others are to pay a fee. The fee is fixed at the very low rate of 2 rupees per annum in the case of shops the monthly turnover of which does not exceed 1,000 rupees, and of 5 rupees per annum in the case of other shops. If the licence is not obtained within the time provided in the Bill, double

fees will be levied. Power has been taken to make rules for empowering the authority which should grant and renew licences, the manner in which the monthly turnover shall be determined, and the recovery of amounts due in respect of licences.

V. L. MUNISWAMI PILLAI.

31st August 1937.

L.A. BILL No. 3 OF 1937.

A Bill further to amend the Madras State Aid to Industries Act, 1922, for certain purposes.

WHEREAS it is expedient further to amend the Madras State Aid to Industries Act, 1922, for the purposes hereinafter appearing; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Madras State Aid to Industries (Amendment) Act, 1937.

Inception of part section I.A. in Madras Act V of 1922.

2. After section 1 of the Madras State Aid to Industries Act, 1922 (hereinafter referred to as the said Act), the following section shall be inserted, namely:—

Definitions.

1-A. In this Act—

- (i) 'cottage industry' means any industry carried on by a worker in his own home, and
- (ii) 'village industry' means any industry which forms the normal occupation, whether whole time or part time, of any class of the rural population of the Province."

Amendment of section 6, Madras Act V of 1922

3. For clause (c) of section 6 of the said Act, the following clause shall be substituted, namely:—

- "(c) by paying a subsidy, in the case of a cottage industry for any purpose, and in the case of any other industry for the conduct of research or the purchase of machinery."

Amendment of section 16, Madras Act V of 1922.

4. In section 16 of the said Act, after the words "No subsidy" in the second paragraph, the words "to an industry other than a cottage industry" shall be inserted.

5. In section 20 of the said Act, after clause (d), ^{Amendment of section 20, Madras Act V of 1937.} the following clause shall be added, namely:—

"(e) from assisting a village industry in any manner which may be determined by the Provincial Government."

STATEMENT OF OBJECTS AND REASONS.

The Madras State Aid to Industries Act, 1931 (Madras Act V of 1931) prohibits Government from giving aid to industrial enterprises except in one or more of the modes specified therein. The Act as it stands does not permit of the giving of a subsidy to cottage industries except for research work or the purchase of machinery. The development of cottage and village industries is a matter of vital necessity. The object of this Bill is to enlarge the scope of the Act so as to permit of the giving (a) of subsidies for any purpose in the case of cottage industries, and (b) of such assistance to village industries as may from time to time be found necessary. The expressions "cottage industry" and "village industry" have also been defined.
